

Annex 1 CONTACT SHEET

For ALL Chemical Emergency Spills, Leaks, Fires, Exposures or Accidents the 24/7 Emergency telephone number must be called.

The emergency telephone number is mentioned on the shipping documents, MSDS and/or product labels.

Immediately after contacting the 24/7 Emergency number, carrier /driver shall advise 3PL Operations Department of the occurrence of the spill, leak, fire, ... accident.

In case you cannot connect to the 24/7 Emergency number, call 3PL Operations Department directly and immediately.
