Integrated Marine Logistics

Alaska & Beyond

Full Service Logistics & Solutions Serving

Odyssey Logistics is your trusted and reliable transportation and logistics company. Odyssey provides a wide range of ocean freight consolidating and freight forwarding, trucking, project logistics, and warehouse distribution services. Odyssey operates food grade facilities (FSMA compliant and AIB certified) in dry and 100% true temperature protected settings to fit your shipping requirements.

Odyssey is a leader in freight movement to and from U.S. offshore markets. We offer just-in-time service, as well as flexible schedules to meet your business needs.

The Advantages of Multimodal Agility

For more than 20 years, Odyssey Logistics has delivered tailored, adaptable multimodal solutions for complex logistics challenges. Backed by a $3B+ freight network, we leverage technology, data analytics, strategic carrier relationships, specialized assets, sustainability initiatives, and global expertise to create agile, end-to-end supply chains. Integrated work processes, enhanced by real-time reporting and visibility, drive both processes and cost efficiencies, helping your business operate smarter, scale faster, and succeed.
