

Intermodal Rail Transport

Solutions Leader for Containerized Cargo

Odyssey Logistics is a trusted partner to manage import, export, and domestic freight directly through the ports and rail, and across all major ports in the U.S. along with providing land bridge service.

Our full suite of tailored logistics services through a single point of contact also provide rail services for steamship equipment and private equipment, both domestically and internationally, along with offering domestic 53' for intermodal rail shipping in North America.

Services & Solutions

- Door-to-Door, Ramp-to-Door, Ramp-to-Ramp, and Door-to-Ramp intermodal services
- On-dock service to and from ports
- ISO tank and flexitank transport via intermodal rail
- Reporting tools available — customized
- Hazardous, oversize and project movements
- EDI load tendering and shipment status reporting
- Accurate, timely rate responses
- Experienced CSR personnel with extensive knowledge in steamship, IMC and trucking industries
- 20', 20' ISO, 40', 45', and 53', both domestically and internationally
- Expedite program movement
- Extensive drayage network
- Relationships with national, regional, and local container yard and depot services
- Container recovery services

The Odyssey Advantage

Offers both contractual pricing and spot rates

Pioneered the first independent double-stack service for steamship carriers that did not have internal intermodal departments

One of the largest intermodal rail shippers of ISO tanks and metal coils

Direct contract holders with major Class 1 railroads and relationships with all major ports and equipment providers in North America

The Advantages of Multimodal Agility

For more than 20 years, Odyssey Logistics has delivered tailored, adaptable multimodal solutions for complex logistics challenges. Backed by a $3B+ freight network, we leverage technology, data analytics, strategic carrier relationships, specialized assets, sustainability initiatives, and global expertise to create agile, end-to-end supply chains. Integrated work processes, enhanced by real-time reporting and visibility, drive both processes and cost efficiencies, helping your business operate smarter, scale faster, and succeed.

Let's Get There Together

From intermodal to managed services across all modes, Odyssey keeps shipments—and businesses—moving forward.
