How to Unlock Smarter LTL Shipping

The Odyssey Advantage

Odyssey Logistics LTL solutions are designed to simplify the most complex part of freight management. Whether you're shipping once a week or managing thousands of loads per month, Odyssey brings together technology, carrier partnerships, and hands on expertise to give you a flexible, cost effective, and a transparent way to move freight.

Technology That Works the Way You Do

- ShipRite OnDemand TMS: White label a quoting/booking tool or seamlessly integrate directly
- Real-time visibility: Predictive analytics + nationwide tracking keep you ahead of delays
- Turnkey back-office support: Reduce reliance on internal resources with outsourced management

Flexible Solutions for Every Freight Profile

- Transactional or Contracted Rates: Scale from spot to long-term rate programs tailored to your volume
- Carrier Selection: Access a blended network of strong national and specialized regional carriers
- Commodity Expertise: built to align with unique characteristics—heavy, oversized, or sensitive freight
- Add-On Services: Extend beyond LTL with FTL, intermodal, warehousing, distribution, and international

Why Customers Choose Odyssey Logistics

- Lower total shipping costs through optimized routing, fewer re-bills, and leveraged discounts
- Simplicity—one tool for quoting, booking & tracking
- Customer-first support team that manages every shipment from quote to delivery
- Stronger supply chain resilience by pairing Odyssey alongside existing carrier relationships
