

Liquid Bulk Commodities

Odyssey is a leading provider of bulk intermodal transportation services throughout North America

Odyssey Logistics helps solve the cost, capacity, and sustainability challenges of shipping liquid bulk over long distances, specializing in intermodal services using our ISO tank containers as an alternative to tank truck.

Intermodal ISO tank transport service is offered throughout the United States, Canada and Mexico. Our service network includes Hawaii, Alaska, and Puerto Rico.

Services & Solutions

- Tank Container on Flat Car (TCOFC) Services
- Storage Solutions via our ISO Tank containers
- Local storage & local point of supply
- ISO Tank—Chemical
- ISO Tank—Food Grade
- Rail Service for Private ISO Tanks (Shipper Provided Tanks)
- Long Term Rental Available
- Ability to offer specialized equipment

The Odyssey Advantage

- Cost reduction
- Enhanced capacity
- Reduced carbon footprint
- Increased flexibility
- Easy implementation

The Advantages of Multimodal Agility

For more than 20 years, Odyssey Logistics has delivered tailored, adaptable multimodal solutions for complex logistics challenges. Backed by a $3B+ freight network, we leverage technology, data analytics, strategic carrier relationships, specialized assets, sustainability initiatives, and global expertise to create agile, end-to-end supply chains. Integrated work processes, enhanced by real-time reporting and visibility, drive both processes and cost efficiencies, helping your business operate smarter, scale faster, and succeed.

Let's Get There Together

From intermodal to managed services across all modes, Odyssey keeps shipments—and businesses—moving forward.
