The Advantages of Multimodal Agility

For more than 20 years, Odyssey Logistics has delivered tailored, adaptable multimodal solutions for complex logistics challenges. Backed by a $3B+ freight network, we leverage technology, data analytics, strategic carrier relationships, specialized assets, sustainability initiatives, and global expertise to create agile, end-to-end supply chains. Integrated work processes, enhanced by real-time reporting and visibility, drive both processes and cost efficiencies, helping your business operate smarter, scale faster, and succeed.

Let's Get There Together

From intermodal to managed services across all modes, Odyssey keeps shipments—and businesses—moving forward.
